CD/Tech/Misc/20/2001-02/-2222

Dated 23rd Feb 2011

NOTICE

It is been observed that the work experience certificates issued to various persons who have been authorized through power of attorney by the main contractors to look after their works due to any reasons, are being submitted along with the tenders by these power of attorney holders as a credential in their support as the works executed under Government organization. The matter has been examined and it is decided that henceforth, these power of attorney holders can not claim such certificates as a **credential of work executed under any Government organization**, as there is no agreement signed between power of attorney holders and the University.

This takes immediate effect.
