Choice Based Credit System

Department of Economics
School of Economics, Management and Information Sciences
NORTH-EASTERN HILL UNIVERSITY, SHILLONG

STRUCTURE OF SYLLABUS

The entire P.G. Syllabus of Economics is spread over in four semesters consisting of 72 Credits of which 60 Credits are assigned to the **Core Courses** and the remaining 12 Credits are open courses. The Department would decide every year to offer **any one or more** out of the various open courses listed for Semester-II and Semester-III. Out of the open courses 4 Credits in Semester-II and 8 Credits in Semester-III would be required to be chosen by the students from the list(s) of open courses either offered by the Department of Economics or any other Department in the University on the advice of student advisor(s) to be appointed by the Department from time to time.
